MY FIRST ROAD SAFETY LESSON

Ref. 20575

OBJECTIVE

To enable children to familiarize themselves with the basic Road Safety signs.

RECOMMENDED AGE

From age 3 upwards.

HOW TO PLAY

1. Lay the six road safety signs face-up in the middle of the table and distribute the other cards with their images among the players.
2. In turns, each player throws the dice and, depending on the sign they throw, uses one of their cards to complete the relevant sign. If they do not have a picture of the sign shown on the dice, the turn passes to the next player.
3. The winner is the first player to use up all their cards.

Group version:

1. In the middle of the table, place the road safety signs on one side, and the picture cards on the other.
2. Taking turns, each player throws the dice and, depending on the sign shown, looks for an image that matches that sign. If there are no more images of the sign shown on the dice, the turn passes to the next player.
3. The game ends when everyone has managed to complete all the signs.
